Teaching Reading and Writing

Note
The HOU is responsible for the editing of the publication and for the development of the texts in accordance with the Distance Learning Methodology. The writers, critical readers and academic coordinators who undertook the development of the given publication bare full responsibility for the scientific context, accuracy and standard of the work.
CONTRIBUTORS OF THIS MODULE

- Learning and Teaching in an EFL Context
  - Teaching Listening and Speaking

Module Co-ordinator
Sophia Papaefthymiou-Lytra

Academic Editing and Coordination of the Module
Sophia Papaefthymiou-Lytra – Nicos Sifakis

Writers  Critical Readers
Christine Calfoglou . . . . . . . . . . Helena-Phoebe Hitiri
Nicos Sifakis . . . . . . . . . . Sophia Papaefthymiou-Lytra

Editor in Distance Learning Methodology
Moira Hill

Art Director
Artemis Glarou

Academic Coordinator of the Programme Curriculum
Sophia Papaefthymiou-Lytra

Produced by the
Project Implementation Unit
of the HOU/1997-2004

# CONTENTS

## CHAPTER 8

### ABOUT LITERACY

<table>
<thead>
<tr>
<th>General aims of this chapter</th>
<th>11</th>
</tr>
</thead>
<tbody>
<tr>
<td>Expected outcomes/objectives</td>
<td>11</td>
</tr>
<tr>
<td>Key words</td>
<td>11</td>
</tr>
<tr>
<td>Introductory remarks</td>
<td>11</td>
</tr>
</tbody>
</table>

#### Section 8.1

Exploring literacy as a concept

#### Section 8.2

Implications for teaching practice

#### Section 8.3

A note on Literacy vs Oracy

#### Section 8.4

The reader-writer ‘liaison’

## CHAPTER 9

### READING: THEORY AND PRACTICE

<table>
<thead>
<tr>
<th>General aims of this chapter</th>
<th>35</th>
</tr>
</thead>
<tbody>
<tr>
<td>Expected outcomes/objectives</td>
<td>35</td>
</tr>
</tbody>
</table>
Key words ............................................................................................................................35
Introductory remarks..........................................................................................................35

Section 9.1
Defining Reading ...............................................................................................................38

Section 9.2
What do we read for? .........................................................................................................40
9.2.1 Setting a purpose ......................................................................................................40
9.2.2 The strategic reader ...............................................................................................41
9.2.3 About reading styles .............................................................................................47

Section 9.3
Reading as a ‘subjective’ act ............................................................................................48
9.3.1 The notion of ‘perfect’ comprehension: The debunking ......................................48
9.3.2 More about bringing in the reader’s mind ..............................................................53
   A. Background knowledge .........................................................................................53
   B. Making ‘educated guesses’ ......................................................................................54
   C. More about ‘top-down’ processing: Content and Formal Schemata .....................57

Section 9.4
Process vs product reading .............................................................................................69

Section 9.5
Zooming in on the printed word ......................................................................................85
9.5.1 The ‘higher’-'lower' level process ‘debate’ .............................................................85
9.5.2 A closer look at lower-level processes .................................................................91
   A. The sublexical level ...............................................................................................92
   B. The lexical level ....................................................................................................98

Section 9.6
Reading Models: A Synthesis .........................................................................................103
Synopsis of Chapter 9 .......................................................................................................106
Answers to SAQs ..............................................................................................................107
References .......................................................................................................................122

Chapter 11

Final Thoughts: Teaching, Testing, Assessment

General aims of this chapter ................................................................. 263
Expected outcomes/objectives ............................................................... 263
Key words .............................................................................................. 263
Introductory remarks ........................................................................... 263

Section 11.1

On the Association between Teaching, Assessing and Testing .................. 265
11.1.1 Orientating the three domains ....................................................... 265
11.1.2 Teaching ....................................................................................... 265
11.1.3 Assessment ................................................................................... 266
11.1.4 Testing ......................................................................................... 268

Section 11.2

Links between Teaching, Assessing and Testing ..................................... 271
11.2.1 General benefits ........................................................................ 271
11.2.2 Washback and washforward ....................................................... 272
11.2.3 Tasks in language learning and testing ....................................... 273

Synopsis of Chapter 11 ........................................................................ 275
Answers to SAQs .................................................................................. 276
References ............................................................................................... 277
Further Reading ..................................................................................... 281
