Advanced Quantitative Methods for Managers

VOLUME 3

Decision Making
Note

The figures that have been included in this volume are used strictly for educational purposes and take the place of visual materials that would be presented during a lecture. They are provided only for personal use by students of the Hellenic Open University (HOU), and are accompanied by a reference to their source and/or the person who created them. The figures have been reproduced at a size that facilitates comprehension of the words and symbols in them, as well as their content in general.

Reprinting or any other form of reproduction of this volume is prohibited. The volume is intended for the purposes of teaching and examination of HOU students. It is distributed free of charge only to those who created the teaching materials, to students enrolled at HOU, and to the relevant teaching personnel; it is not available for purchase.
