

The BIBLIO project was presented at ALL DIGITAL SUMMIT 2021 by DAISSY-HOU, the Greek partner!

The [BIBLIO](#) project is honored to be presented at the [ALL DIGITAL Summit \(13-15.10.2021\)](#)! The BIBLIO presentation was included in the [first round table](#) entitled “**Lightning talks and Informative sessions**” in the afternoon of the first day of the Summit – this session was dedicated to the applications regarding a) the digital competences of professionals in the sectors of education, libraries (etc.) and the

beneficial role they play to their personal development and b) the awareness about tackling inequalities and discrimination (e.g. managing hate speech and gender inclusiveness).

Within this framework, the characteristics of the BIBLIO emerging role profiles in Libraries i.e. the [Community Engagement and Communication-CECO](#) and the [Digital Transformation Facilitator-DIGY](#), were showcased.

Emphasis was put to presenting the content of the [BIBLIO MOOC](#) modules and the benefits of attending them, as well as the development of the MOOC e-platform by DAISSY Research Group of the Hellenic Open University (HOU). It was clarified that the MOOC is only a part of the multidimensional [BIBLIO blended training course](#).

- 📌 The AD Summit 2021 was implemented online and triggered the interest of academics, researchers, representatives of local government organizations, professionals in the sectors of culture, education, environment, etc.

📌 The speech was delivered by Eleni GEORGAKAKOU, Project Manager of BIBLIO in [DAISSy Research Group of HOU](#). The Group is a member of the ALL DIGITAL network and implements the BIBLIO project in Greece, with the [Distance Library and Documentation Centre of the HOU](#), as the fundamental associate partner.
