

DAISSy Research Group of the Hellenic Open University organizes the "Entrepreneurship and Circular Economy" online workshop within the RE-START project

The [DAISSy Research Group of the Hellenic Open University \(HOU\)](#) invites you to the online educational workshop entitled “**Entrepreneurship and Circular Economy**”, which is organized in collaboration with the [Institute of Economic Analysis and Solidarity Economy \(I.E.A.S.E.\) of the University Research Center of Ioannina \(U.R.C.I.\)](#). The workshop is an activity of the European project [RE-START – Reinforcing the circular economy model for START-ups](#), implemented by DAISSy-HOU as a partner in Greece.

- ⇒ The workshop takes place online on **Thursday 25th May 2023**, at **16.00-19.00** and is addressed to University students regardless of their discipline.
- ⇒ Participation is free of charge!
- ⇒ The **expression of interest procedure is ongoing and the participation form can be submitted**, here: <https://forms.gle/poJMHZ8dzWvkFSMo8>

The workshop will take place on Zoom platform, through the following log in details:

<https://us06web.zoom.us/j/86942926250?pwd=cjVpZW1kVHY0ZVlCRzBCYWdOcE4wZz09>

Meeting ID: 869 4292 6250

Passcode: 133135

During the online workshop, participants will have the opportunity to get acquainted with circular economy and entrepreneurship, as well as with the digital tools and the training programme developed by the **RE-START** project, aiming at supporting potential start-uppers in the field of circular economy.

The main objective of **RE-START** project is to empower higher education students to acquire and cultivate basic skills and competencies in order to adopt an environmentally friendly approach in their efforts to create a start-up. The project encourages and guides them to develop a circular start-up, or to transform their business idea into a circular one, following the definition of circular start-ups. The ultimate goal of the project is the commercialization of innovative business ideas in the field of circular economy through the development of University spin-offs.

✓ The **RE-START** is a two-year project co-funded by the European Commission's Erasmus+ programme. The [DAISSy Research Group of the Hellenic Open University](#) is the Greek partner of the consortium, which consists of a total number of six (6) partners from Cyprus, Portugal, Spain, Poland and Greece.
