

DAISSy-HOU organizes the hybrid info-day entitled “Empower Girls’ Creativity Through Use of Digital Technologies” within SparkDigiGirls project

The [DAISSy research group of the Hellenic Open University](#) invites you to participate in the info day entitled “**Empower Girls’ Creativity Through Use of Digital Technologies**”, which will take place on **Wednesday 12 July 2023 at 18.00**, at the “**Byzantino**” Hotel in Patras (Greece).

The event is addressed to individuals and representatives of associations, institutions and bodies at local, national and European level. In particular, it is addressed to teachers, vocational education and training providers, apprenticeship advisors, vocational training teachers, students e.t.c.

More precisely:

- Participation is free of charge and open to all
- Pre-registration is not needed
- Online participation is available through the Zoom electronic platform, by using the following link:
<https://us06web.zoom.us/j/83461700438?pwd=TjI4QWFzQ1BJMGxyWVJCbnF4cEFMZz09>
Meeting ID: 834 6170 0438
Passcode: 301158
- The event will be held in Greek
- A certificate of attendance will be provided to any participant wishing for it

The info-day is part of the implementation of the “[SparkDigiGirls: Empower Girls’ Creativity Through Use of Digital Technologies](#)” EU project, aiming at encouraging girls to explore digital technologies such as AR (Augmented Reality), VR (Virtual Reality), AI (Artificial Intelligence), IoT (Internet of things) and come up with new and exciting ideas by utilizing their newly acquired digital knowledge to chart the waters of the male-dominated STEM industry with fresh, different, and creative viewpoints.

➡ The [SparkDigiGirls](#) is a two-year project, funded by the Erasmus+ programme (2020-1-LT02-KA227-YOU-007294) of the European Commission, with DAISSy-HOU as the Greek partner.
