

DAISSy Research Group of HOU invites you to the ALL DIGITAL Summit 2023

The DAISSy Research Group of the Hellenic Open University, an active member of the ALL DIGITAL network in Greece, invites you to join the ALL DIGITAL Summit 2023. The event will take place on **September 25-27 2023** in Zagreb, Croatia, with a number of sessions also available online. For more information and to register: <https://all-digital.org/all-digital-summit-2023/>. Deadline for online participants' registration: 21.09.23

The event is entitled "**Skills for Digital Tomorrow**" and deals with topics around the field of digital skills in various sectors such as culture, innovation and education. ALL DIGITAL Summit 2023 is targeted to policymakers, local authorities, academics, experts, education and training organizations and any person interested in the digital skills for shaping a better digital tomorrow.

A detailed description of the event's content is available on the website and includes the list of confirmed speakers and the programme of works.

The DAISSy Research Group of HOU has been an active member of the ALL DIGITAL international network for years, with its Director, Ms. Achilles Kameas, participating in its Board of Directors and in the organization of the event itself. DAISSy will play an active role in the ALL DIGITAL Summit 2023, with speeches, workshops and participation in the international marketplace.
