

The GREELCO webinar developed by DAISSy-HOU within the “Green Learning Community” project is accessible through the GREELCO platform!

The [DAISSy Research Group of Hellenic Open University \(HOU\)](#) announces the launch of the [GREELCO webinar](#), which has been developed within the framework of the “[Green Learning Community \(GREELCO\)](#)” European project, currently undergoing by DAISSy-HOU as the Greek partner.

The GREELCO Webinar is developed to meet the needs of kindergarten teachers, educators, preschool managers, and Early Childhood Education and Care (ECEC) professionals throughout Europe. The Webinar equips participants with essential knowledge, guidelines, and technical instructions for developing pedagogical practice videos in their kindergartens.

It regards a two-hour training video that stems from the content covered in the three-day (twenty-four pedagogical hours) online training called “**Training on digital content production**,” organized by the DAISSy Research Group at Hellenic Open University (HOU). The webinar, edited by Elisabeth Pirounia, Video Producer and Editor of DAISSy, covers various topics, including:

1. **Inspiring ECEC Practice in Videos**, led by trainers Petra Zgonec, Mateja Mlinar, and Petra Bozovičar, Researchers at the Educational Research Institute (ERI), project coordinator.
2. **Quality Informed ECEC Practices**, facilitated by Aljosa Rudas, ISSA Program Manager at the International Step by Step Association (ISSA), project partner.
3. **Theory and practical application of editing tools in video production**, presented by Elisabeth Pirounia, Video Producer and Editor of DAISSy-HOU, project partner.

The GREELCO Webinar is open to all and can be accessed through the [GREELCO platform](#) upon registration. The platform is easily accessible, open for all and serves as an online communication and collaboration tool that connects Early Childhood Education and Care (ECEC) professionals across Europe.

⇒ The **GREELCO** is a two-year project, co-funded by the ERASMUS+/ KA220-HED programme of the European Union.
