

Invitation to the hybrid multiplier event of the LEARN.INC project, by DAISSy-HOU

The [DAISSy Research Group of the Hellenic Open University \(HOU\)](#) invites you to take part in the multiplier event on "**Days of Open Education and Society**", which will take place on **Friday, 18th October 2024 at 18.00** ("My Way" Hotel, Patras-Greece), with the possibility of online participation, through the zoom electronic platform.

The event is addressed to higher education institutions, local research and training institutes, postgraduate and PhD students, researchers, academic staff, civil society organisations and local stakeholders and is open to all.

- 📌 Participation is free of charge and open to all, at international level.
- 📌 Registration to online participation is done by submitting the corresponding [form](#)
- 📌 Online participation is possible using the following link:
<https://us06web.zoom.us/j/83213007883?pwd=1oklLcjgge0dweOtlmn2gbEVkxT9do.1>
- 📌 A certificate of attendance will be issued to any interested party who wishes for it.

The event regards the dissemination of the results of the "[Learning Incubator for Project-based Teaching and Training through Research \(LEARN.INC\)](#)" European project, which is implemented by DAISSy-HOU as the Greek partner. In particular, "VOCIS" an online platform will be presented, about the collaboration between students and university teaching staff, offering a preparatory course for challenge-based learning.

Furthermore, the "PROTINC" will be presented, an online incubator that highlights sustainable projects from VOCIS, developing courses according to the priorities of the European Union (G.I.F.T. / Green, Inclusive, Fit for Digital, Transparent).

Finally, the "OPENARC" methodology will be analyzed, regarding the creation and implementation of an open access digital archive, including the LEARN.INC platform as well as the Massive Open Online Courses (MOOCs) in video format, ensuring high quality teaching.

👉 **LEARN.INC** is a three-year project, co-funded by the Erasmus+ programme of the European Union and implemented by a consortium of five (5) partners from four (4) countries (Bulgaria, Greece, Romania, Turkey), with the DAISSy Research Group of the HOU as the Greek partner.
