Professor/Developmetal Psychology/Dept. of Psychology, National& Kapodistrian University of Athens

Email to: tantaros.spyridon@ac.eap.gr

He is Professor of Developmental Psychology, Chair of the Department of Psychology of the National & Kapodistrian University of Athens.

His research interests deal with the study of emotional and cognitive development of children, adolescents and emerging adults, as well as the relations of parenting and parental behavior with identity formation.

He has published several articles in international and Greek scientific journals and has edited several books published in Greek. He was a member of the Organizing and Scientific Committees of many national and international conferences and the Chair of the 19th European Conference on Developmental Psychology.

He is the President-elect of the European Association for Developmental Psychology (EADP), past Chair the Board of Directors of the Hellenic Psychological Society and a member of several Associations on Developmental Psychology.
