

DAISSy-HOU and ACHADE invite you to join the Specialisation Course on EDI!

The [DAISSy Research Group](#) of the [Hellenic Open University \(HOU\)](#) and the [ACHAIA CHAMBER'S DEVELOPMENT ENTITY \(ACHADE\)](#), invite you to participate in the **online specialisation course** implemented within the framework of the “**Equality, Diversity, Inclusion For improving the quality of management EDUCation (EDIFY-EDU)**” European project, currently undergoing by DAISSy-HOU and ACHADE as the Greek partners. It is addressed to future managers and everyone interested in improving their skills on the principles of Equity, Diversity, Inclusion (EDI), so as to pursue entrepreneurial initiatives based on these competencies. Within the framework of this course, the two Greek project partners will give the opportunity for twenty five (25) hybrid practical activities (work based learning) along with the opportunity for mobility in Europe!

More precisely, the EDIFY-EDU Specialisation course addresses training needs and skill gaps identified in the project, as highlighted in the [EU report on EDI in business education](#). It aims to enhance Business & Management training by developing specialised EDI transversal and digital skills for students and graduates and professionals, aligning with European competence frameworks to support societal transformation.

- The Specialisation course is offered in **English, free of charge, online, open to students and graduates** as well as to anyone interested in the EDI topics.
- The participants will have free access to **online educational material, practical activities, case studies and quizzes along with the opportunity for hybrid learning in working conditions**, in association with Small & Medium-sized Enterprises (SMEs) established in the **region of Achaia**.
- Learners who complete successfully 75% of the total course modules will be awarded the Specialisation Course Certificate and the Open Badge.
- Twenty-five (25) students will be selected, so as to conduct a hybrid Work Based Learning activity in a greek enterprise.
- Five (5) students will be selected, so as to conduct their **work based learning in-place at EU enterprises**, in one of the EDIFY EDU project partners countries (Ireland, Italy, Finland, Germany).

Furthermore and with regard to the EDIFY-EDU Specialisation course, it is noteworthy that:

- ✦ The course runs **from April 7, until June 30, 2025**.
- ✦ Registration is already open and is available through the [form](#).
- ✦ A limited number of twenty-five (25) seats is available - a first come first served rule will be applied.
- ✦ Consists of fifteen (15) **core modules featuring practical activities and case studies**, focusing on transferable and digital skills for professionals and future managers.
- ✦ Offers a flexible schedule with an estimated workload of around ten (10) hours per week, allowing **self-paced learning**.
- ✦ Includes scheduled **online meetings with HOU tutors and ACHADE moderators** for guidance and support.
- ✦ Facilitates **networking and collaboration** with peers and tutors through online forums.
- ✦ Offers five (5) selected participants fully funded **mobility opportunity** across Europe.
- ✦ Provides **Certification and Open Badge** aligned with European and national qualification frameworks.
- ✦ Requires at least an intermediate level of English, as all learning materials are in **English**.
