Ph.D Economics / Supply Chain Management – Negotiation Strategies/ Hellenic Open University

Email to: papadopoulos.konstantinos@ac.eap.gr

Dr. Papadopoulos holds a Ph.D. in Economics from Université Catholique de Louvain, Belgium (2000) and took part in European Doctoral Program in Quantitative Economics (EDP). He has worked as Research Assistant at the Center of Operations Research and Econometrics, (CORE) in Belgium under a Training and Mobility of Researchers (TMR) contract by the European Commission and is a scholar of the Deutsche Akademischer Austauschdienst (DAAD). Dr. Papadopoulos works as Associate Professor at the School of Economics at the Aristotle University of Thessaloniki. His research interests include bargaining in vertical supply chains, imperfect competition, and the use of game theoretic models to analyze vertical relations in the supply chain. He is also a member of the Center for Empirical Research in Economics and Behavioral Sciences (CEREB) of the University of Erfurt Germany where he has conducted economic experiments to analyze the role of behavioral elements in pricing in vertical relations (supplier-retailer). Dr. Papadopoulos has served as visiting research Professor at the Department of Economics at University of Crete, the University of Erfurt, Freie Universität zu Berlin and University of Sassari, Sardegna.
