

Vaso Seirinidou

Coordinator SEI55

Email to: seirinidou.vasiliki@ac.eap.gr

Associate Professor of Early Modern Greek History at the Department of History and Archaeology of NKUA. She has also taught at the Institute of Byzantine and Modern Greek Studies of the University of Vienna and at the Department of History and Archaeology of the University of Crete. Her field of specialization is Greek society, economy and culture during the Ottoman domination. She has dealt extensively with the history of the 18th and early 19th century mercantile diaspora, the various aspects of the Greek Enlightenment movement, as well as with issues of early modern environmental history. Currently, she is involved in research on the 1821 as coordinator of the Laboratory for the Research of the Greek Revolution of NKUA. She has published 3 monographies and numerous articles in Greek, English and German.
