Email: papadimitriou.despoina@ac.eap.gr, dpapadim@panteion.gr.....

She studied history and archaeology at the University of Athens. She received a PhD scholarship and at 1991 she completed her PhD thesis at the Univ. of Athens. Her research interests include Contemporary Greek and European history; Analysing discourses and Ideologies with emphasis on political conservatism and extremisms; Conceptual history; History of the Press; Transnational and global history. She has participated in many international conferences.

She participated in the research project: Encyclopedia of the Greek Press (National Research Foundation); The Cultural identity of Greeks in the United States of America and in Australia (University of Athens); Political and Social Radicalism in Greece (University of Macedonia). Seven PhD students have carried out successfully their doctoral research and three post-doc.
