
DAISSy-HOU invites you to the online Course on

“Accessible Digital Education”

**AEDU**
ACCESSIBLE DIGITAL EDUCATION

The DAISSy Research Group of the Hellenic Open University (HOU), the academic Greek partner of the "Accessible Digital Education (AEDU)" European project, **invites educators, trainers, learning centers' staff members** and everyone interested in inclusive education and empowering learners with disabilities in the digital age to participate in the **AEDU online Course** aiming at **enhancing digital education practices for people with learning disabilities**.

The AEDU Course is a transformative training program designed to equip adult educators with knowledge, skills, and strategies they need to effectively support learners with learning disabilities in online learning environments. Through four (4) modules, participants will explore key concepts related to learning disabilities and inclusive teaching practices in digital environments. The course emphasises in, Practical Examples and Targeted Content, helping educators foster equitable participation and success for all learners.

More precisely and with regard to the AEDU online training Course, it is noteworthy that:

- It runs in **English** in a **self-paced mode**, providing **full flexibility** to the learners.
- Experienced **tutors** are facilitating the learners by replying to any relevant question.
- It includes in **fifty (50) didactic hours an Introduction and four Modules**:
 1. Identifying learning disabilities
 2. Differentiated instruction and personalised learning
 3. Integrating technology in inclusive education
 4. Inclusive learning environment management and conflict resolution.
- The current third cycle of the Course will run till the end of January 2026.
- Participation is **free of charge** and the content is accessible to all that have registered and are logged-in in the All Digital Academy platform:
<https://platform.alldigitalacademy.eu/>.
- Call to Action: **Click here to register to the AEDU Course:**
<https://platform.alldigitalacademy.eu/welcome-to-adedu/>.

- By completing the self-assessment quizzes successfully and a Course evaluation form, participants will receive a **Certificate of Completion**.

ADEDU is a thirty-month project (01.01.2024-30.06.2026), co-funded by the ERASMUS+ program of the European Union, with main aim to create more inclusive and accessible digital education experiences for all. It is implemented by a consortium of five (5) organizations from three (3) European countries, coordinated by "ALL DIGITAL" (Belgium), and having as partners the "European Association of Service Providers for Persons with Disabilities (EASPD)" (Belgium), the "Media Education Centre (MEC)" (Serbia), the "IASIS" NGO and the "Hellenic Open University-DAISSy Research Group" (Greece).
