- DAISSy Research Group of Hellenic Open University (HOU), the National Coordinator in Greece for the “**ALL DIGITAL Weeks 2026**” campaign invites any interested entity to get actively involved in this initiative. Its main objective is the promotion of digital skills for the inclusion, empowerment and employment of all people worldwide.

Enhance Your Digital Skills!

9–25 March 2026

More precisely, the 2026 edition focuses on “**Digital wellbeing for a competitive Europe**”, highlighting digital wellbeing as a key condition for inclusion, trust, and long-term competitiveness. The campaign is organized by ALL DIGITAL, a major European network on digital skills, situated in Brussels. *“Digital skills now decide who can work, access public services, and take part in society,”* says David Mekkaoui, CEO of AALL DIGITAL. *“For those already skilled, digital inclusion means wider user bases, shared European values and a stronger economy. For those less confident, it means access to jobs, public services, reliable information, and everyday independence. All Digital Weeks exists to close that gap, locally, practically, and for everyone”*.

DAISSy-HOU has been a member of the AD network since 2016 and as the National Coordinator it supports the “ALL DIGITAL Weeks 2026” campaign by promoting events, involving organisations and increasing awareness, in Greece, taking into account that the campaign connects local practice, professional reflection, and policy dialogue across Europe. Within this framework, DAISSy-HOU invites any interested entity to take part and fully exploit the opportunities provided by the campaign.

It is noteworthy that:

- 📌 Participation in the campaign is **free**.
- 📌 For organising an event or exploring learning opportunities, you may visit:

-
- 📌 Any entity interested in implementing a related activity, can include it in the campaign and achieve its maximum visibility at a European level. This is possible by simply recording the event details on the dedicated "[map](#)" which will stay active in March 2026 and until the end of the campaign.
 - 📌 For further promotion of an activity at a national and international level, provided it is already incorporated into the map, its organizer should inform DAISSy-HOU by sending a message to info@daissy.eap.gr. In this way, DAISSy, the National Coordinator, will ensure the promotion of the action, through its own communication channels and network of contacts.
