

DAISSy-HOU is the National Coordinator of the «ALL DIGITAL Weeks 2026» european campaign

• A L L • • • • • DAISSy Research Group of Hellenic Open
• D I G I T A L • University (HOU) proudly announces its
• **Weeks** • • • • • nomination, once again this year, as the National
• • • • • Coordinator in Greece for the “**ALL DIGITAL
Weeks 2026**” campaign. The main objective of this initiative, organised by the ALL
DIGITAL (AD) european network, is the promotion of digital skills for the inclusion,
empowerment and employment of all people worldwide.

AD, situated in Brussels, is one of the major european networks regarding digital skills. It represents more than one hundred and twenty (120) member organisations that operate for supporting the digital skills and competences of all people in Europe.

DAISSy has been a **member of the AD network since 2016**, with its Founder and Director, Professor Achilles Kameas, having been elected as a member of the AD Board of Directors (BoD) for a number of years, as Deputy Chair for two terms and as Chair of the BoD for one term. And Ms. Eleni Georgakakou, Head of Projects and Communication at DAISSy, being an elected member and AD Deputy Chair in the current term.

Running from 9 to 25 March 2026, ALL DIGITAL Weeks is organised by the AD network, using related funding by the European Commission for coordinating the awareness campaign internationally. DAISSy-HOU, as the National Coordinator will support the ALL DIGITAL Weeks 2026 campaign by promoting events, involving organisations and increasing awareness in Greece. The 2026 edition focuses on “**Digital wellbeing for a competitive Europe**”, highlighting digital wellbeing as a key condition for inclusion,

trust, and long-term competitiveness. The campaign connects local practice, professional reflection, and policy dialogue across Europe.

AD Weeks is one of the most significant European awareness campaigns on digital skills, bringing together organisations, policymakers, trainers, and learners around Europe, in a shared mission to equip citizens with essential digital competences.

Enhance Your Digital Skills!

9–25 March 2026

- Participation in the campaign is **free**.
- For organising an event or exploring learning opportunities, you may visit:

<https://all-digital.org/all-digital-weeks/>

- **Any interested entity** that implements a related activity, can include it in the campaign and achieve its maximum visibility at a European level. This is possible by simply recording the event details on the dedicated "[map](#)" which will stay active in March 2026 and until the end of the campaign.

For further promotion of an activity at a national and international level, provided it is already incorporated into the map, its organizer could inform DAISSy-HOU by sending a message to info@daissy.eap.gr. In this way, DAISSy, as the National Coordinator, will ensure the promotion of the action, through its own communication channels and network of contacts.
