

Theodoros Fouskas**Assistant Professor / Department of Public Health Policy of the School of Public Health of the University of West Attica****Email to:** tfouskas@uniwa.gr; fouskas.theodoros@ac.eap.gr

Dr. Theodoros Fouskas is an Assistant Professor in the field of “Sociology with an emphasis on Migration and Public Health” at the Department of Public Health Policy of the School of Public Health of the University of West Attica (Greece). His research and teaching interests combine the sociological study of migration, migrant/refugee health and access to health care, health inequalities and racial and ethnic disparities, precarious employment, and low-status/low-paid work, domestic work and caregiving, migrant community associations, solidarity and pro/anti-migrant mobilizations, social integration and exclusion of third-country nationals and migration and health policies. They further extend to the sociological study of health and illness, health promotion, the social determinants of health and social epidemiology. He has authored monographs and edited collective volumes and journal special issues and extensively published chapters in edited collective volumes, articles in scientific journals and policy research reports. He is a reviewer of articles in scientific journals and a member of the editorial board in some of them. He has conducted many presentations at international and national conferences and workshops and has organized scientific events and summer courses on migration. Since 2005, he has participated in European and national research projects on migrants and other vulnerable social groups and his latest research projects include: “Voices of Immigrant Women” (VIW) (Erasmus+, 2020-2022), “Migrant and Refugee integration into local societies during the COVID-19 pandemic in Spain and Greece” (General Secretariat for Research and Innovation (GSRI)/University of West Attica (UNIWA), 2021-2022), “From reception, to gender empowerment and social integration of female refugees, asylum seekers & immigrants during of the COVID-19 pandemic in Athens” (Hellenic Ministry of Migration and Asylum/Panteion University of Social and Political Sciences, 2022-2023).
