

## **Panagiotis Fotis**

**Academic title/subject module/Institution: Phd / Microeconomics / Hellenic Competition Commission**

**Email to:** [fotis.panagiotis@ac.eap.gr](mailto:fotis.panagiotis@ac.eap.gr)

Panagiotis Fotis holds a PhD from the Athens University of Economics and Business (AUEB) with a specialization in Microeconomics (Applied Microeconomics). He worked as a specialist scientist at the Competition Commission from 2004 to 2015. From 2015 to the present, he holds the position of Rapporteur/Full Member of the Competition Commission. His research interests include the scientific fields of Applied and Theoretical Microeconomics and Industrial Organization, the Economics of Competition Law and Competition Policy, Financial Analysis and Energy Economics. He has published alone or in collaboration with other authors in collective volumes in Greek and international journals. He is the co-author of the foreign language monographs 'The Competitive Effects of Minority Shareholdings Legal and Economic Issues', (2016) and 'The Competitive structure of Gasoline Industry: evidence across the Globe', (2012). He is also the author of the Greek university textbooks 'Industrial Organization and Competition Policy', (2013) and 'Financial Investment Analysis', (2015).
