

DAISSy-HOU invites you to a hybrid event on Social Innovation Ecosystems

The [DAISSy Research Group](#) of the [Hellenic Open University \(HOU\)](#)

is organising an event on:

“University and the Social and Solidarity Economy: Innovation Ecosystems”

 17 September 2026

 10:00

 ETERON – 38–40 Leokoriou Street, Athens 105 53

The event will bring together **representatives from higher education and research, institutional stakeholders, and representatives from the field of the Social and Solidarity Economy**, with the aim of fostering a meaningful dialogue on the role of higher education in promoting **Social Innovation and the Social and Solidarity Economy**.

 The event will be held in a **hybrid format**, and participation (either **in person or online**) is **free of charge**.

 **Registration is now open**. The process is simple and can be completed by submitting the **event participation form**: [DAISSy Event Participation Form](#)

 **Register your interest and stay tuned!**
