

Dionysis Goutsos

Professor of Textlinguistics /National and Kapodistrian University of Athens

Email to: goutsos.dionysios@ac.eap.gr

Dionysis Goutsos currently teaches at the National and Kapodistrian University of Athens and has also taught at the University of Birmingham (UK) and the University of Cyprus. He has studied at the University of Athens (BA, 1988), the University of Strathclyde, UK (MLitt in Literary Linguistics, 1990) and the University of Birmingham (UK, 1994).

He has written several articles on text linguistics and discourse analysis, translation studies and corpus linguistics. He has also published several books in English and Greek and has edited volumes in Greek, English and French. He has been research co-ordinator of the projects developing two reference corpora for Greek, namely the *Corpus of Greek Texts* (<http://www.sek.edu.gr>) and the *Diachronic Corpus of Greek of the 20th Century* (<http://greekcorpus20.phil.uoa.gr/>), as well as specialized corpora of spoken everyday conversations, film dialogues and the discourse of aphasic speakers (<http://aphasia.phil.uoa.gr/>).
