

Y i a n n i s P a p a d a t o s

Professor of Prehistoric Archaeology, Department of History and Archaeology, National and Kapodistrian University of Athens

Email to: ypapadatos@yahoo.gr

Yiannis Papadatos holds a degree in Archaeology from the Department of History and Archaeology, NKUA (1994) and received his PhD in Prehistoric Archaeology from the University of Sheffield (1999). He has also worked as postdoctoral researcher at the University of Sheffield and as a contract archaeologist with the Greek Archaeological Service. He has also worked as adjunct professor with the Hellenic Open University since 2002. He conducts excavations in Crete and Marathon. He has authored two monographs, and published more than 50 articles in Greek and international journals, edited volumes, and conference proceedings. He has organized five international conferences and has participated in more than 70. His research interests include the Early Cycladic culture, Minoan Crete, funerary archaeology, the archaeology of mountains, the arts and technologies of the prehistoric cultures of the Aegean, as well as the application of natural sciences and digital tools in archaeology.
