P a t r i c i a G e r a k o p o u l o u
Assistant Professor/Social Psychology/Ionian University
Email to: gerakopoulou.kleopatra@ac.eap.gr

She is an Assistant Professor of Social Psychology in the Department of Digital Media and Communication at the Ionian University. She serves as a Tutor-Counselor and, more recently, as a Coordinator for the module "Digital World and Psychological Development" in the Postgraduate Program of Studies "Applied Developmental Psychology" at the Hellenic Open University. Her theoretical and research work is connected to the interdisciplinary field between Social Psychology, Psychology of Media, Sociology of the Internet, Cyberpsychology, Cultural Studies and Critical Theory. Within this field, she has published scientific articles and chapters in collective volumes. She is the co-editor of the Greek edition of *The Oxford Handbook of Cyberpsychology*, published by Kritiki Editions. In 2009, her book/monograph *Children of Superman: Life Stories of Superhero Comics Readers* was published. She is a member of the Hellenic Psychological Society (Divisions of Social Psychology, and Psychology of Media and Technology), as well as a trainee member of the Hellenic Society of Group Analytic Psychotherapy.
