Assistant Professor

Open and Distance Learning

Hellenic Open University

Email to: manousoug@gmail.com

Evangelia (Gelly) Manousou is Assistant Professor at the Hellenic Open University. She has done postgraduate studies in Educational Informatics in the National and Kapodistrian University and holds a Ph.D. in Open and Distance Learning Education, at the Hellenic Open University, specializing in Instructional Design. In 2017 she completed her postdoctoral research on "The skills of students preparing a postgraduate thesis".

She has been teaching and supervising postgraduate thesis since 2009 at the Hellenic Open University, at the University of Crete and at the National and Kapodistrian University. She has worked as Teacher, Headmistress and Educational Coordinator-Counselor in Primary Schools of the Ministry of Education and Religious Affairs, Greece.

She has been a researcher and creator of educational material. She has written a great variety of educational material (software, books, MOOCS, etc.). She is a regular collaborator in various educational journals. She actively participates in many scientific, environmental, and cultural non-governmental organizations and actions. She is a member of the editorial board of the Scientific Journal "Open Education".

Her scientific interests concern open education, school-based distance education, the design and creation of educational material in print and digital, distance learning communication, collaboration, and evaluation issues in distance education.
