

D i m i t r i o s A t h a n a s a k i s

Assistant Professor/Modern Philosophy/Aristotle University of Thessaloniki

Email to: athanasakis@edlit.auth.gr

He is a graduate of the Department of Philosophy, Pedagogy and Psychology (specialization: Philosophy) of the School of Philosophy of the Aristotle University of Thessaloniki. He holds a Master's Degree in Philosophy from the University of Paris I-Panthéon-Sorbonne and a PhD in Philosophy from the École Normale Supérieure de Lyon. He also holds a second PhD in Philosophy and Didactics of Natural Sciences from the University of Thessaly. He teaches in the Interinstitutional Master's Program "Systematic Philosophy" and he directs the Laboratory of Philosophy of Social Sciences of the Department of Philosophy and Pedagogy of the Faculty of Philosophy of the Aristotle University of Thessaloniki. He participates in the works of IHRIM (Institut d'histoire des représentations et des idées dans les modernités) and LabEx COMOD (Laboratoire d'excellence – Constitution de la modernité), and he is an associate member of the French Philosophical Society (Société française de Philosophie). His research interests focus on the study of the relationship between philosophy and science in the Modernity, and in particular in the works of Descartes, Malebranche, Spinoza, Leibniz and Comte.
